Discussion on potential Ordinance 7—2016-Ch.63 – Firearms, Bows & Arrows & Other Missiles

Heinig advised in 2011 Attorney Al Peterson eliminated Chapter 63 of the ordinances because of the state law change and conflict with concealed carry. Heinig asked for the re-instatement of Chapter 63. Collins advised this ordinance not only covers the concealed carry in government buildings but covers regulations of firearms & explosives in the Village, shooting of bow & arrows, other missiles projectiles, and sale & manufacturing certain weapons.

Olson objected to section 63-2 of the ordinance of Concealed Carry in Village Government Buildings prohibited. Olson and Ebner agreed to the rest of the ordinance as it was written. Collins asked if there is limitations could be placed on certain government buildings which would be the police department and to have the police station in the ordinance not to have concealed carry. Olson and Ebner agreed the ordinance should prohibit concealed carry in the police department.

Heinig advised committee section 63-2 would be re-written and reviewed by Attorney Weber. This ordinance will be brought back to committee June 7th for recommendation for the Village board meeting on June 9th.

Adjourn Chuck Olson and Bill Ebner motioned to adjourn. The motion carried unanimously.
