Re: 2008 Softball Rules Meeting Decisions

On Tuesday, March 4, 2008, team managers that were present at the annual softball managers meeting approved the following changes:

- 1) **Forfeits will be counted as two losses in the standings**, forfeit wins will still count as one win in the standings. *(This was proposed and approved by team managers.)*
- 2) **Hit your own ball!** Balls must be ASA approved, optic yellow, .44 COR, 375lb. compression. *(This was proposed and approved by team managers.)*
- 3) **Non-Resident** fees per team capped at eleven paid players per team (\$220 max. per team). The 12th+ non-resident player(s) on your roster would not have a non-resident fee. *(This was not approved until after the meeting.)*
- 4) **New...League Tournament will be scheduled into the last couple of weeks of the schedule on league nights.** *(This has nothing to do with Kornfest Tournament, which will be Aug. 15-17, 2008.)*
- 5) **ASA Legal Bats & Balls**, check current list at <http://www.asasoftball.com>, click on certified equipment. *(Freaks and other grandfathered bats are illegal for ASA in 2008)*

All of these changes should be positives from the player's perspective. March 26 is the deadline for teams to register and pay the league entry fee.

HOLMEN MEN'S TUESDAY SOFTBALL LEAGUE - 12" SLOW PITCH – TEAM REGISTRATION
