- Limited to first 10 people with paid registration fee.
 - ***Holmen Aquatic Center staff only, non-staff may enroll if openings remain as of May 9, 2008 (put on waiting list).**

Description: This course trains instructor candidates to teach water safety, including the Basic Water Rescue course, six levels of Learn-to-Swim and Parent and Child Aquatics.

Prerequisites: You must be at least 16 years of age by the last day of training, and have the ability to perform the following swimming skills: Swim-Front Crawl-25 yards, Back Crawl-25 yards, Breaststroke-25 yards, Elementary Backstroke-25 yards, Sidestroke-25 yards, and Butterfly-15 yards. Maintain position on back 1 minute in deep water (floating or sculling). Thread water for 1 minute.

Certification: Once a candidate completes all reading assignments, participates in all activities, successfully completes all practice teaching assignments, and passes the final written exam, they will receive a Water Safety Instructor Certification, which is valid for 2 years and will renew annually as long as you continue to teach Water Safety courses.
