Present Monthly Claims The Committee reviewed monthly claims.

Municipal Court Update Heinig advised there has been no modifications to the Joint Municipal Court ordinance since the court opened 10 years ago. The city of Onalaska felt the ordinance should be modified on how it operates. Heinig recommended the ordinance and has put a copy in all the board members boxes for their review.

Heinig also advised they discussed a budget item for 2020 which would be a new software update called TIPPS. The old system is having problems interfacing with their system, the staff has to spend extra hours to get the old system to work and the customer service has been horrible for the old system. The TIPPS system is based out of Wisconsin and made by officers. Major cities in Wisconsin like Madison and Milwaukee have gone to the TIPPS system. Heinig gave his support for the TIPPS software and to move forward. Heinig advised the cost for the Village would be \$3000.00. There would be no more additions to the other areas of the budget.

Discussion on 2020 budget Collins presented his 2020 budget items to the committlee

Adjourn Doug Jorstad and Rodney Stanek motioned to adjourn. The motion carried unanimously. Meeting ended 7:03pm.
