

## 2020 RATES

REFUSE & RECYCLING RATE: \$44.00/quarter

Inquire with waste hauler on disposal rates for mattresses, box springs, electronics and appliances.

WATER RATE: \$18.00/quarter service charge (3/4" meter)  
 \$ 2.25/thousand gallons (residential)

PUBLIC FIRE PROTECTION: Quarter service charge based on meter size--3/4" = \$14.10/quarter (including developed and undeveloped properties)

SEWER RATE:

Debt Service

Average Residence uses 10,000 gallons  
 Average Residence = 1 REC\*  
 1 REC = \$15.50/quarter

\*Each Commercial/Industrial/Public Authority account is assigned a number of RECs based on past year usage compared to Average Residential Usage

Operation & Maintenance

\$6.60/thousand gallons used\*\*

\*\*Revenue needed for O & M divided by number of gallons sold for prior year determines per thousand rate

(The figures for Average Residential Usage/REC Rate/and O & M rate per thousand are computed each year.)

Residences Only

2<sup>nd</sup> & 3<sup>rd</sup> quarters (March reading-September reading) rate is based on prior 4<sup>th</sup> quarter usage if less than actual. For new customers, an Average Customer Usage is used for 2<sup>nd</sup> & 3<sup>rd</sup> quarter sewer billing.

STORMWATER RATE:                   \$ 0.00/ERU Base Charge (BC)  
   \$12.00/ERU Runoff Unit Charge

\*Stormwater rates are adjusted each year. Charges are based on average estimated impervious area of a residential parcel. Minimum charge per improved parcel = 1 BC and 1 ERU charge.
