Trustee Olson mentioned that Assistant Chief Bulawa plans to retire in 2018 and complimented him on his years of service. Olson cautioned the Board against changing the current equalized value formula and stated that there will never be a formula that is satisfactory to all. He reiterated his view that the Fire Department should become a Village-run department with contract arrangements offered to the Towns; a Public Safety referendum would be necessary to accomplish this but he suggested the Board consider that option in the future.
