Shared Ride Committee
Trustee Anderson reported that ridership had decreased by 274 (from 1771 to 1497 from March 2014 to March 2015). Anderson commented that after some research, he believes that ridership counts have been significantly reducing due to vendor staffing issues as well as delays in vehicle maintenance. He asked that Administrator Heinig and President Proctor follow up with Onalaska Mayor Chilsen to review his concerns and look into having a discussion with the vendor used for the program.

Park, Recreation and Library Committee
Chuck Olson/Bill Ebner motioned to consider “School’s Out for Summer” concert proposal without Committee recommendation. The motion carried unanimously. Chuck Olson/Rich Anderson motioned to approve “School’s Out for Summer” two band concert proposal by Brian Nichols on June 5, 2015, at the Halfway Creek Band Shell from 6:00 to 9:00 pm. Administrator Heinig commented that the event request included police officer coverage for the event, which would equate to around $800.00 of overtime costs that are not currently budgeted. Director Brogan stated that the band shell fee for the event had been waived and that a $200 deposit had been received from Mr. Nichols. President Proctor inquired as to the option that the overtime expense be paid upfront by the requester with potential excess funds to be reimbursed. Trustee Jorstad inquired as to the anticipated noise level of the event; Mr. Nichols stated the volume would be similar to Kornfest. Trustee Olson commented that although he understood staff’s budgeting concern, he felt the event would benefit an age group that is often forgotten in the community, and would encourage good relations between law enforcement and high school age students. Brian Nichols asked to address the Board; he remarked that he appreciated the Board taking the time to consider, and complimented the band shell accommodations. Nichols proposed to split the estimated overtime costs with the Village; he affirmed his group would be responsible for clean-up of the park after the event. Nichols remarked that he felt it was important to promote relationships between high school age kids and law enforcement to help mend current national issues with law enforcement. Doug Jorstad/Bill Ebner motioned to amend motion to approve “School’s Out for Summer” two band concert proposal by Brian Nichols on June 5, 2015, at the Halfway Creek Band Shell from 6:00 to 9:00 pm, to include a non-refundable payment of $400.00. The motion carried unanimously. Trustee Johnston thanked Mr. Nichols for organizing the event, and noted that possibly he would be able to find sponsors for future events. President Proctor also commented that she, without luck, has inquired about local high school bands to be available for the Concerts in the Park event.
