**President’s Report**
President Barlow remarked on a Village of Holmen message presented to the residents regarding public service and policing in Holmen. He stated that the Police Department created a transparency page on the Village website.

**Other Items before the Board**
Policie Chief Collins expressed his appreciation for a $6,300.00 donation from Mathy towards the new K9.

Trustee Stanek commented that he has heard concerns from residents regarding brown water that won’t go away. Public Works Director Mezera stated that he has been vetting the issue across resources such as Wisconsin Rural Water Association and issues may be related to an increased chlorine addition that was directed by the DNR after September 11th. He remarked that he will continue to network with other professionals to solve the issue if possible.

Trustee Anderson thanked staff for all of the time that goes into the annual licensing process, and stated that the public service message to residents was very good.

Trustee Kulcinski suggested that Village staff monitor the “Next Door” app to review for residents’ concerns.

Trustee Wyss thanked staff, specifically Engineer Dahl, for his diligent work with the capital projects occurring in Holmen at this time.
Attorney Weber complimented the Village for the “roof and siding repairs” message that was placed on the Village Web site in response to a significant hail storm that occurred in the area recently. This storm caused damage to many homes in the area, and the message encouraged residents to use caution if accepting bids or solicitations for roof or siding repairs. Chief Collins mentioned that he does issue badges to out-of-state contractors after reviewing background checks for any solicitors.

Fire Chief Manley mentioned that they are awaiting repairs on the Quint truck to be completed; all repairs are under warranty.

Brandon Cain/Dawn Kulcinski motioned to adjourn. The motion carried unanimously. The meeting adjourned at 8:02 pm.

Angela A. Hornberg, Village Clerk/Treasurer
