**Municipal Court Update**
No meeting was held.

**Fire Board Report**
Trustee Olson was pleased to announce the hire of new Fire Chief Paul Menches; his experience in the region is vast and he comes to Holmen with specific experience in developing a department in a growing community. The Fire Board recently held a press conference to notify constituents that the Department is moving forward with a new Chief. Menches will start on September 14th but will begin working remotely to get things started in the right direction. Trustee Olson said this process has been challenging but has been a pleasure; he commented that the six-member Fire Board is working well together and are excited about moving forward.

**President’s Report**
Informational items only.

**Other Items before the Board**
Chief Collins commented that he looks forward to working with the new Fire Chief. He thanked residents for all of the immense support and gifts being delivered in support of the Department in the wake of the Dallas incident. He also thanked the Park & Recreation Department staff for continued maintenance of building operations, his own staff for pitching in and helping one another, as well as thanking Administrator Heinig for always being available for staff.

Director Olson stated that the Village of Holmen is a wonderful place to work, where all staff takes ownership, and thanked the Board and community for the opportunity to work here.

Director Brogan commented that previous Assistant Park and Recreation Director Reinhart was just appointed head basketball coach at Aquinas.

Trustee Olson mentioned that the Fire Department recently received donation funds from the Thiele family and those funds, along with Fire Activity funds, were used to replace a $5,200.00 cutter tool. He mentioned that the annual hot dog and brat feed will be held on July 21st.

Trustee Anderson thanked Trustees Olson and Ebner for a job well done on the Fire Board.

Trustee Jorstad mentioned that the Public Works Committee has requested the timeline for painting crosswalks in the Village be moved from August to May for 2017; Administrator Heinig stated that is an
acceptable plan. Jorstad complimented the recent street projects and thanked Director Olson for sticking to the seven-year project plan.

Trustee Johnston expressed his amazement at how busy Halfway Creek Park has been; he is pleased to see so much activity in the area.

Clerk/Treasurer Hornberg requested confirmation on availability to change the August Law Committee meeting from August 2nd to August 9th, as well as the August Finance Committee meeting from August 9th to August 10th.

Administrator Heinig noted that the Public Hearing for the water rate increase was held today and once approved by the PSC, would be planned to be implemented in the 4th quarter of 2016. Heinig commented on an award that was presented from LADCO to the Village of Holmen, City of Onalaska and Town of Onalaska to acknowledge the collaboration that led to the signing of a historic boundary agreement between the three municipalities. He stated that he has been receiving many comments from the business community on how apparent it is that the Village of Holmen is well-cared for, full of community pride and the synergy is working to make Holmen a desirable place to live, relocate and invest; kudos to everyone in the room for that accomplishment. Heinig mentioned a current issue with the Holmen Postal Service and their desire to implement a 10-year old policy, which has not been implemented anywhere else in the County, for the installation of cluster mailboxes for all new subdivisions. He stated that he is working with Minneapolis to try to resolve the current situation but is fearful for future developments having to deal with the issues that these cluster boxes would surely cause. Issues such as maintenance, location, supervision of key exchange for home sales; he feels at the very least, this is a conversation that needs to occur with communities and developers before it should be implemented. He is hopeful to get this issue resolved without legal action.

Attorney Weber complimented staff and stated that Holmen is definitely becoming a leader in the County.

Chuck Olson/Steve Johnston motioned to adjourn. The motion carried unanimously. The meeting adjourned at 8:26 pm.

Angela A. Hornberg, Village Clerk/Treasurer
