He commented that the sign ordinance that was commented on this evening has been on the books since 1971 and that sign placement in the Village was becoming a nuisance and even a danger as signs were being posted to traffic signs also. He commented that signs should not be placed in the right of way and that they should be removed as soon as the event is done.

Trustee Jorstad commented that he felt it was important that Board members dress respectfully for Board meetings.

Clerk/Treasurer Hornberg complimented the office staff on the courtesy and respect given to residents upset with sign enforcement issues.

Administrator Heinig read a letter complimenting the Village for Kornfest and the great community spirit they feel in Holmen. He complimented staff for their hard work during the fest and the Board for putting to conclusion tonight many very significant projects.

President Proctor commented that additional cleanup after the Kornfest parade could be a good potential community service project for a group.
