President Proctor called the Holmen Village Board meeting to order at 7:00 pm on October 8, 2015, at the Holmen Village Hall.

Board members present: Nancy Proctor, Steve Johnston, Rich Anderson, Dawn Kulcinski, Chuck Olson, Bill Ebner and Doug Jorstad. Also present were Administrator Heinig, Park & Recreation Director Brogan, Police Chief McHugh, Public Works Director Olson, Clerk/Treasurer Hornberg, Attorney Brian Weber, Lt. Collins, Rick Durst, Diane Fernholz, Jay Fernholz, Patrick Barlow, Alexis Meyer, Steve Doyle and his assistant and Pat McKnight.

Public Comment
Steve Doyle remarked that he was in attendance this evening to distribute the updated State of Wisconsin Blue Books and also to update the Board on happenings in Madison, as well as to answer any questions. He noted that the State Assembly was in a working session in which many new bills would be created. Doyle mentioned some of the big issues were regarding GAB reformation, fetal tissue research, and that he is working on a “circuit breaker bill” to provide tax relief for the middle class. This bill would look at family income and property tax expense and provide a credit for certain ranges of taxpayers. Trustee Olson questioned the offset of the tax break as well, as inquiring on transportation funding issues.

Rick Durst commented in regards to his concern for the rezoning of parcel 14-87-18. He feels the density, as well as the traffic, would be too high for that or any cul-de-sac. He feels safety is a major concern, and he opposes the proposed R-5 zoning.

Alexis Meyer spoke as one of the developers for parcel 14-87-18; she stated that this density would be similar to the existing developments on the cul-de-sac at Angel Court. Meyer stated that the road would be extended and that the developers for the project are working with La Crosse Engineering, as well as Administrator Heinig and Public Works Director Olson, and would make any concessions required.

Patrick Barlow spoke in appreciation of the Village working towards an agreeable Fire Board contract, and remarked that he is perplexed by the personnel issues in the Department. Barlow commented that he appreciated efforts to help resolve Fire Department issues, to assure protection of lives and property in the community.
