SECTION 4 – BOUNDARY AGREEMENT RULES FOR POTENTIAL ANNEXATION OF LAND IN THE TOWN OF HOLLAND AND THE PROVISION OF MUNICIPAL PARTNERSHIP ON SUCH LANDS

During the Term of this Agreement:

4.1 The Village may annex land within the area defined as the Cooperative Boundary “Area A” (red line) on the map attached hereto and incorporated herein as Exhibit 3 and 4, in any legally permitted manner of annexation under the laws of the State of Wisconsin. Where the Cooperative Boundary of “Area A” (red line) appears to follow public roads, the Village may annex the affected segments of such road right-of-way as part of an annexation to annex adjacent real estate. The Town will not oppose, directly or indirectly any annexations within the Cooperative Boundary “Area A,” where consistent with this Agreement.

4.2 The Village shall not annex from the Town any areas outside of the Cooperative Boundary “Area A” (red line) identified in Exhibit 3 and 4, without a resolution approving annexation, approved by a simple majority of the Town Board; with the exception that the Village may annex Parcels 8-951-0, 8-952-0, 8-950-0, 8-950-1, 8-957-0, 8-954-0, 8-958-0, 8-959-0, 8-956-3 and 8-956-14, either in part or in whole, at any time following receipt of an Annexation Petition made by Unanimous Consent of the property owners(s), and the Town in accordance with Wisconsin Statutes, shall not oppose, directly or indirectly, any such annexations(s) of those parcels (as listed herein).
4.3 The Town shall not authorize or approve of any subdivision of land or any rezoning of property within the Cooperative Boundary “Area A” (red line) identified in Exhibit 3 and 4, without a resolution approving the subdivision or rezoning, approved by a simple majority of the Village Board.

4.4 The Village shall not oppose, directly or indirectly, any subdivision of land or any rezoning of property, that is outside of the Cooperative Boundary “Area A,” and that is specifically and only within the Cooperative Boundary “Area B,” (blue shaded area) as identified in Exhibit 3 and 4.

4.5 The Village shall not proceed with any subdivision of land or any rezoning of property within the Cooperative Boundary “Area A,” and that is specifically and only within the Cooperative Boundary “Area B,” (blue shaded area) as identified in Exhibit 3 and 4, until such time the Town Planning Commission has had an opportunity to review the proposal. The Town shall have forty-five (45) days to provide written comments and/or recommendations to the Village regarding their review. The Village agrees to strongly consider the Town’s comments and/or recommendations when making a final determination on any such proposal for that area.

4.6 The Village shall share with the Town, $1.00 in collected taxes per every $1,000 of assessed value of Commercially Zoned and Developed Property (wherever a commercial building/business is present), payable by the Village to the Town by the end of each fiscal year, from qualifying property that is located within the Cooperative Boundary “Area A,” and that is specifically and only within the Cooperative Boundary “Area B,” (blue shaded area) as identified in Exhibit 3 and 4. Example: existing commercial restaurant (qualifies as commercial business under the Village Zoning Code), has a total assessed value of $500,000; the Village shall pay the Town $500 in shared tax revenue by the end of the year in which the taxes were collected.

4.7 If an annexation occurs within the Cooperative Boundary “Area A,” (red line as identified in Exhibit 3 and 4) and where such annexation includes any portion of any segment of a newly paved or newly improved public road (improved within the 24 months preceding Village approval of the annexation by ordinance), the Village shall reimburse the Town forthwith for: the full improvement cost that the Town incurred on a square foot basis for that portion of that specific road segment that was annexed, following receipt of all applicable invoices that were attributable to the specific annexed road segment which was improved by the Town and that is now owned by the Village.

4.8 The Village and Town agree to discuss ways in which to partner on the repair and improvement of Town primary corridors or collector streets (such as Briggs Road) within the Cooperative Boundary “Area A,” (red line as identified in Exhibit 3 and 4) and still outside of the Village municipal boundary (still in the Town). Should the Parties agree to share the cost of repairs and improvements to any Town primary corridor or collector street, such agreement shall outline the acceptable terms to both Parties, and unless otherwise specified within the agreement, the Village shall not be subject to Section 4.7 above at any time if annexation of the area attributable to the agreement were to occur.

SECTION 5 - UTILITIES

5.1 The Parties agree that utility privileges will be mutually allowed within the Cooperative Boundary “Area A,” (red line as identified in Exhibit 3 and 4), and that the Village may place utilities underground at any time, as provided for under Wis. Stats. 66.0425 Privileges in Streets. The Village however, shall not be required to file a bond under Wis. Stats. 66.0525(2), but shall ensure the full and complete repair to any disturbed area.
5.2 The Town waives the necessity of the Village to make request for granting of street privileges for utilities within Cooperative Boundary "Area A," (red line as identified in Exhibit 3 and 4) but the Village shall still provide written notice to the Town (holding jurisdiction of the subject street), before actual street excavation occurs. Plans and specifications for any proposed street privileges shall be submitted at least sixty (60) days in advance to the Town (holding jurisdiction of the subject street).

5.3 No consent to any utility placement within any street right-of-way shall be unreasonably withheld by the Town wherein it is the Village's intent to serve properties outside Cooperative Boundary "Area A," (red line as identified in Exhibit 3 and 4), specifically where the Town has permitted an annexation outside of Cooperative Boundary "Area A," and utilities must now proceed to that area.

SECTION 6 – TOWN ISLANDS

6.1 The Village and Town agree that town islands may be created, as a result of annexations authorized under this Agreement, anywhere within the Cooperative Boundary "Area A," (red line) as identified in Exhibit 3 and 4.

SECTION 7 – INCORPORATION

7.1 During the term of this Agreement, the Town will not support any effort to incorporate any area of the Town.
