Policies should be directed to the Village Administrator.

Questions concerning the specific locations of all existing transportation facilities and associated right-of-way widths shall be verified through official survey maps recorded with the La Crosse County Register of Deeds.

All existing and proposed transportation facilities shown herein are assumed to be the centerlines of such facilities from which the required right-of-way shall be measured equally along both sides.

Minimum right-of-way. The minimum right-of-way for all proposed streets and roads shall be 60 feet or such other width as is specified herein, or by the Village Comprehensive Plan, or plan component.

Proposed transportation facilities identified as "Concept Only" are shown herein to aid future land use and transportation planning but are otherwise not considered as officially mapped roads under Wisconsin Statute 62.25(6).

No warranties, expressed or implied, are provided for the map, its use, or its interpretation. The Village of Holmen does not guarantee the accuracy of the material contained herein and is not responsible for any misuse or misinterpretation of this information or its derivatives. If you have obtained this information from a Vector form, be aware that electronic data can be altered subsequent to original publication. This map is used in conjunction with the text from the Village Comprehensive Plan, and plan components. Questions regarding the content of this map and the Village's future land use and transportation plans and policies should be addressed to the Village Administrator.
