Mattress Recycling

1. When you purchase a new mattress, ask the local mattress store to recycle your old one; or
2. For home pick-up of an old mattress, without the purchase of a new one, contact a hauler that will recycle your mattress; or
3. Take your mattress to the Residential Drop-off area at the County Landfill for a fee or contact Hilltopper Refuse & Recycling at 608-783-6727, to find other drop-off locations.

Habitat for Humanity Restore

OPEN TO THE PUBLIC

Habitat for Humanity La Crosse Area’s ReStore is a discount home improvement store that sells new and gently used furniture, appliances, building materials, home goods, doors, windows and more. 100% of ReStore profits go back into our community to build and repair homes. Since 2006, the ReStore has diverted over 9 million pounds from the landfill. Donations to the ReStore are tax deductible, and we offer free local donation pick-ups. The ReStore is open Wednesday through Saturday from 10 am to 6 pm. To learn more or to schedule a pickup online visit: www.habitatlacrosse.org.

Information and Directions

PLEASE READ SIGNAGE

The Landfill’s address is 3240 Berlin Drive. The diagram to the right illustrates the entrance to our facility (the landfill is the second right on Berlin Drive). The landfill entrance is equipped with inbound and outbound scales – all landfill customers must scale in and out. Department staff are available at the scale to direct you on disposal options and collection of payment.

For mailing, billing, and other departmental questions our office is located at 3200 Berlin Drive (first right on Berlin Drive) and parking is available on the south side of the building. We can also be reached at (608) 785-9572.

2023 Village of Holmen Guidelines for Refuse & Recycling Collection

Curbside Trash
Trash will be picked up weekly on Wednesday, Thursday, and Friday. Please refer to the map on page 3 to see your day of collection. Trash must be placed in the carts from Hilltopper Refuse & Recycling. These are the ONLY containers that are picked up. Carts have a 10-year warranty from the manufacturer. If they lose a wheel, the lid comes off, or other “normal” repairs, the cart will be repaired or exchanged by Hilltopper Refuse & Recycling. There is no cost to the resident for these types of “normal” repairs. When you move, leave the cart at the residence. If you do not, actual replacement of the cart will be the full responsibility of the homeowner.

Additional Trash
Trash set beside the cart, put out in bags, or a can will not be collected. You can wait and put the extra trash in the cart for the next collection, or haul yourself to the La Crosse County Landfill or Hilltopper. Both charge a small fee for disposal. If you intermittently have additional trash, you may purchase stickers from Hilltopper for additional bags of trash. These stickers will be paid for in advance, placed on the bag, and set next to your cart for pick-up. If you find you need more than one cart, contact Hilltopper Refuse & Recycling at 608-783-6727 and make arrangements to have an additional cart delivered. There is an additional annual charge for the second cart. You will be billed directly by Hilltopper.

Placement of Carts
Place carts at least 3 feet away from obstacles including, but not limited to, other carts, mailboxes, power poles, etc. Place the cart within 2 feet of the surfaced edge of the road with the arrow on the cover pointing toward the road (wheels facing away from the road). Carts should be set out by 5 a.m. on collection day. Carts must be placed on a level surface with the covers reasonably shut for collection.

Trash Unacceptable to Place in Cart
Do not put grass, leaves, brush, recyclables, electronics, computer components, fluorescent or LED light bulbs, wet paint, full aerosol cans, demolition or construction materials in the refuse cart. Information on disposal of these items is contained in another part of this publication.

Recycling of Yard Waste, Branches, Brush & Christmas Trees

Yard Waste
Yard waste is not picked up as part of Holmen’s refuse collection service, but the Village does provide a site where yard waste can be dropped off for recycling into compost. Our compost site is located at 751 Bridge Dr. which is about 2 blocks west of Holmen Dr. off of Empire St. It is open during spring, summer, and fall.

HOURS FOR 2023: Mondays, 2 p.m.–6 p.m. Wednesdays, 2 p.m.–6 p.m. Saturdays, 8 a.m.–4 p.m.

Village residents are allowed to take grass, weeds, leaves, sod, wood chips, garden waste, and soil to the compost site, and anyone is welcome to take finished compost and wood chips from the site. No brush, branches, limbs, or twigs are accepted at the compost site, and no trash of any kind is accepted.

Branches, Brush & Christmas Trees (on calendar)
The Village provides curbside brush chipping service beginning on the first Monday of every month. If a holiday falls on the first Monday, the service will begin the following day. This service is not offered for construction sites, nor is it intended for the disposal of entire trees. This service is offered for tree and yard maintenance only, so disposal of entire trees should be arranged through a tree service contractor.

Unacceptable Trash
Trash must be in trash cart. Loose trash will not be collected. Please read additional trash section for more information.

Remodeling and demolition materials
Items include, but are not limited to, roofing, plumbing, multiple windows, sheetrock, brick, concrete, asphalt, bathtubs, shower enclosures, and lumber. Please make arrangements with a private rubbish hauler for disposal of such material. For disposal of glass doors or windows, contact Hilltopper Refuse & Recycling at 608-783-6727.

Hazardous materials
Cleaners, solvents, gasoline, oil, or other toxic, corrosive, explosive, or highly combustible materials may not be placed in the regular trash. Refer to the list of hazardous materials accepted at the La Crosse County Household Hazardous Materials Facility. If in question, call the facility for a recommendation at 608-785-9999.

Vehicle oil and batteries
Return to service stations or authorized dealers. Hilltopper also accepts used batteries. A fee may be charged. Also accepted at La Crosse County Household Hazardous Materials Facility.

Vehicle parts
Vehicle parts and other metal weighing 10 pounds or more will not be collected. Take such items to a salvage yard.

How to Prepare Recyclables

DO NOT BAG RECYCLABLES. LEAVE THEM LOOSE.

GLASS: Jars and bottles only! Empty, rinse clean, remove caps, lids and metal rings; no need to remove labels. Recycle caps, lids, and rings. NO dishes, glassware, ceramics, window glass, or mirrors—put them in with regular trash. Incandescent light bulbs go in the trash; fluorescent and LED bulbs in Hilltopper or HHW.

ALUMINUM & TIN: Empty food and beverage cans, empty paint and aerosol cans, bottle caps, aluminum foil, and pots and pans. Empty and rinse food and beverage cans; remove labels. Ends of cans can stay attached. For paint cans, remove lid to show it's empty. Recycle caps and lids; exception—plastic caps from empty aerosol and spray paint cans should be discarded in regular trash. NO chemicals, scrap metal, vehicle parts, electronics or small appliances—review Recycler to see how to dispose of.

PLASTIC: #1, #2 (bottle form only) plus #5 food containers. This includes soda, water and juice bottles; detergent and milk containers; yogurt, cottage cheese and cream cheese tubs, etc. Drain liquid and rinse clean. Recycle caps and covers. Any other types of plastics should be disposed of in the trash. NO berry, donut or to-go containers, salad bowls or plastic bags.

FOOD & BEVERAGE CARTONS: Cartons are either shelf-stable (breath, saucy, soy milk, juice, milk, or wine) or refrigerated (milk, juice, cream, or egg substitutes). Drain liquid. Recycle caps. NO clamshell or to-go food containers.

PAPER BEVERAGE CUPS: Paper coffee and soda cups. No lids or straws please.

CARDBOARD & PAPER: Both corrugated and regular cardboard—including shipping boxes, cereal, soda and beer cartons, etc. Paper includes newspapers, catalogs, magazines, paperback and trade books, flyers, paper bags, regular mail and junk mail. NOTE: Any and all cardboard should be flattened and cut to fit inside the recycling cart. NO CARDBOARD BOXES SHOULD BE USED AS RECEPTACLES.

WIRES: Christmas lights, extension and power cords.

Preparation & Transportation
Residential Dropoff Hours
Monday – Friday (year-round) 10:00 a.m. – 4:00 p.m.
1st & 3rd Saturdays (April – October only) 9:00 a.m. – Noon

Businesses and organizations by appointment only

Residential users with more than 200 lbs of material are encouraged to schedule an appointment.

Out-of-County residents are welcome to use the program on a fee basis.

Free Product Reuse Room!
Over 80,000 pounds of useable household products are sorted and made available to the public in our Reuse Room annually. All items are free, but donations are appreciated. The Reuse Room is open Monday – Friday from 8 AM to 4 PM. The Reuse Room is located on the east side of the landfill office building, directly adjacent to the HHM Facility.

Safe Transportation of Hazardous Materials
1. Never mix chemicals.
2. Bring items in original containers or clearly mark contents. Tell facility technician if you are unsure what is in a container.
3. Tighten all covers and lids.
4. If a container is leaking, pack it separately in a leak-proof pail or tub.
5. Avoid spills. Place waste containers upright and place securely in the trunk or back of a truck or van. Do not transport waste containers in vehicle passenger areas.
6. Gasoline should be transported in a designated red safety container.
7. Motor oil should be transported in a durable and leak-proof container labeled with the words “Used Oil.”
8. Tape the terminal ends of batteries with clear tape to prevent arcing. Do not co-mingle batteries with chemicals.
9. Transport fluorescent bulbs securely to avoid breakage. Do not tape bulbs together.
10. Upon arrival, pull under the HHM canopy and remain in your vehicle with the engine shut off.

Sharps & Needles
- Needles, syringes, auto-injectors (EpiPens) and lancets must be transported in sealed, puncture-resistant containers.
- Container options include a standard red sharps container or a thick plastic laundry detergent bottle with screw on cap. All containers must be labeled with the word “SHARPS.”
- Additional sharps collection sites can be found on the Alliance to HEAL website.
- For after-hours service, a red sharps drop box is located on Berlin Drive at the La Crosse County Solid Waste Department entrance. This drop box accepts single-use needles as well as small sharps containers. (see map above)

Use By Businesses & Organizations
The La Crosse County HHM Program is available to assist small businesses and organizations with their hazardous material disposal needs. We also offer complimentary audits to help with identifying these waste streams. For more information, call us at (608) 785-9999 or visit our website to download a VSQG qualification packet.
