Motion by Seitz, second by Forde to recommend to the Board the proposal from Fischer Brothers LLC Waterslide Restoration for engineer mandated waterslide repairs at a cost of $7,100 from the swimming pool repairs account. Carried unanimously. Brogan stated this was the budgeted amount and they are one of a few companies in the United States that does this type of repair and are in high demand, but are local and initially got their start with Holmen and are available immediately.

Motion by Seitz, second by Forde to recommend to the Board the proposal from Fairway Painting & Sandblasting Inc. for an epoxy floor finish for the Holmen Aquatic Center bathhouse floors at a cost of $6,480 from pool capital outlay account. Carried unanimously. Brogan stated this would be the same floor surface as the fire department and the existing floor has been re-painted many times and needs to be sandblasted. The Committee felt bath house floor surface should always be a major safety concern.
Motion by Seitz, second by Forde to recommend to the Board the quote from Frontier Ag & Turf for a replacement John Deere 1445 mower/hard cab/snow broom and the trade-in of the existing mower/hard cab/snow broom at a cost of $19,980 from the park capital outlay account. Carried unanimously. Brogan stated the mowers are used constantly twelve months a year, the oldest mower needs to be replaced, we are getting $10,500 for a trade-in now, it can be used with our other existing attachments, and another brand of mower and the needed attachments would cost $40,000.

Motion by Seitz, second by Forde to recommend to the Board the quote from Lynkris for 24 beach chairs and 24 sun chairs at a cost of $4,108 from pool capital outlay account. Carried unanimously. Brogan stated there is a lifetime guarantee on all Lynkris chairs, would match existing chairs, are designed for commercial use, and none of the lounges purchased four years ago from Lynkris have ever broke.

Motion by Seitz, second by Forde to recommend to the Board the quote from Anchor Industries for three Funbrella replacement canopies at a cost of $4,692 from pool capital outlay account. Carried unanimously. Brogan stated the current canopies are 13 years old and the stitching is rotting. The Anchor quote is the 3rd lowest of 8 quotes, but the two lowest are made of less durable materials and are retro-fits, the Anchor quote is for the exact specifications and also made the existing frame.

Motion by Forde, second by Seitz to adjourn at 7:45 p.m. Motion carried.
