Fire Board Report
Neal Forde reported the Fire Board met April 22nd and will be meeting again on Thursday June 17th.

Mr. Forde reported that the audit of the Fire Department has been completed.

Since the FEMA funding evaporated, Fire Chief Schober is pursuing other funding opportunities. The Board is considering changes in the structure of the funding for the Fire Department budget.

Public Works Committee
Ryan Olson/Mark Seitz motioned to approve Resolution 8.10, the 2009 Compliance Maintenance Report to the Wisconsin Department of Natural Resources. The motion carried unanimously.

Economic Development
Ryan Olson reported that the committee met on May 25th. The committee is working on updating the activities and initiatives for 2010, including continuing the newsletter.

The committee discussed the preparation of an agreement between the Village of Holmen and the landowners in the TID #2.
La Crosse County Supervisors
Marilynn Pedretti reported that Holland Chairman George Hammes is home from the hospital following his recent surgery and looking good!
Chuck Spiker reported that the new tables and chairs are now in the nutrition site. Mr. Spiker also reported that he will be delivering the new public directories next month.
Ryan Olson asked both County Supervisors to consider assisting the Village in having complete computer access for the total processing of the dog licensing to eliminate excess hours from the Village’s staff in the paper processing. Administrator/Clerk Willett added that other counties are able to do the entire process online- preventing the need for the storage of files on the countertop and the need for the staff to enter all the information from the paper license after the dog owner leaves. The duplication of the staff time would be eliminated!

Shared Ride Committee
Richard Anderson reported that the committee met on Wednesday June 2nd. The Village of Holmen had an increase (from last year) of 282 trips for the month of April.
Two Shared Ride vans were sold for $14,000.
The financials are steady.
The committee is waiting for news from the state contract before Federal funding can be applied for this year.

Other Board Items
President Proctor reported that John Lichtenheld will be in Holmen next week. Shreiber Anderson will be retyping the Master Plan Draft with the suggested changes that have come through the committees and the Board.
