Director’s Monthly Report

Sanitary Sewer Department

General update on WWTP performance. Gary Hagel finished hauling sludge on 4/11. Feyen Arcade Pumping disposed of a load of septage that disrupted the treatment plant. A letter was sent notifying them this will not be tolerated. Septage hauler permits were processed for Holmen Pumping and Feyen Arcade Pumping.

Water Department

The hydrant replacement at Gaarder Rd. & Holmen Drive was finished and tested. Water was turned off at 7 Bridges Bank on 4/18 to allow for sanitary connection for the Bluffview Court Utility project. A water valve was leaking in Cedar Meadows East on 5/21 and had to be replaced - 3 people with 15 hours OT. Hydrant flushing was done on 4/24 and 4/25. Holmen is going to be a test community for filing electronic monthly Operation Reports (eMOR) for the DNR.

Street Department

On 4/12 Administrator Heinig and DPW Olson met with the County Administrator and County Highway Commissioner to discuss collaboration on the County roads within the community and possible economic development possibilities. Street sweeping was completed on 4/13. Chairman Dunham requested DPW Olson prepare a schedule for street sweeping. The sewer and water crossing on Bluffview Court was completed and a gravel patch remains. Paving an asphalt patch on the roadway is scheduled for the week of 5/7. No sidewalk repair or install orders were issued. Chair Dunham asked about the completion of the sidewalks in Lee Estates and Pine Ridge.

Storm Water Department

We are chipping as usual – April took the majority of the week to complete and the storm we had on 5/3 probably will generate more than we had anticipated for the month of May. Significant rain events have offered an opportunity to look at drainage concerns. Chair Dunham asked about the modifications to the Deerwood detention/drainage issue and was told it would be completed this summer.
**Miscellaneous**

The Bluffview Court utility project is essentially completed and finishing touches will be done next week. The staff position applicants will be interviewed the week of 5/7. Xcel has hired Q3 to replace a number of gas lines in the Village. A meeting with the County, School, Towns and Village is scheduled for 5/15.

**Discussion Items**

Director Olson explained that preliminary plans had been submitted for review for the Cherry Lane street extension. Initial comments were provided to the engineer, but revised plans have not been submitted for approval.
